## 3D Animator and Game Developer

Email: vayneranat@gmail.com | phone: +972-50-761-7997 | [LinkedIn](#) | [portfolio](#)

### SUMMARY

Creative and ambitious 3D/2D animator with strong experience in animation and foundational experience in game development. Skilled in body mechanics and acting animation, with hands-on experience in short animated films. Passionate about bridging the gap between art and technology by building efficient, artist-friendly workflows. Proficient in Maya, Toonboom and Adobe Creative Suite (Photoshop, Premiere, After Effects). Familiar with C# scripting within Unity.

### WORK EXPERIENCE

**Director and 3D Animator** 2024-2025

- Co-directed the film, collaborating on storytelling and creative decisions.
- Animated multiple challenging shots, ranging from close up acting to full body mechanics shots, demonstrating strong fundamentals.
- Created multiple versions of storyboards and animatics to establish pacing, timing, and visual flow.
- Managed the production pipeline, schedules, and team coordination

**Animation Tutor** 2024-2025

- Provided one-on-one guidance to junior students, covering animation fundamentals, introduction to 2D/3D softwares such as Maya and Toonboom Harmony.
- Provided guidance in handling critiques, improving time management, and building confidence.

**Computer Lab Assistant - Bezalel Academy of Arts and Design** 2022-2025

- Assisted students with software and technical issues in the computer lab.
- Provided guidance to lower-year students with their assignments and digital tools.
- Ensured smooth daily operation of lab equipment and resources.

### EDUCATION

**Game Development Unity Course** 2025

- Learned C# scripting fundamentals and applied them in Unity projects.
- Gained hands-on experience with Unity workflows, scene setup, and asset integration.

**B.F.A - Bezalel Academy of Arts and Design, Screen-based Arts** 2021-2025

#### Department

- Successfully completed a four-year program in the Department of Screen-based Arts.
- Collaborated with prominent figures in the voice acting industry, including Eli Gornstein, Gilan Shahaf, and Miki Kam for my third year and fourth year films.
- Directed and animated two 3D short films during my studies.

### ADDITIONAL INFORMATION

- **Technical Skills:** Maya, Adobe Suite (Photoshop, Premiere, After Effects), Unity.
- **Languages:** Hebrew (native), English (fluent), Russian (conversational).
